Title: Need to hand over the land occupied by Assam Rifles Complex to the State Government of Tripura for setting up of a multi-discipline Sports and Cultural Complex.

SHRI JITENDRA CHAUDHURY (TRIPURA EAST): Assam Rifles Complex in Tripura is situated on the heart of the Agartala city. In Tripura, Assam Rifles are having hardly any presence, except one or two Training Battalion, as the State's law and order situation is mainly maintained by its own forces (Tripura Police and Tripura State Rifles) besides the CRPF and BSF. Hence, the large area occupied by the Assam Rifles, since long be vacated and handed over to the State Government for the purpose of setting up of a multi-disciplined Sports and Cultural Complex. The Citizens Forum and Sports lovers of the State have already been agitating on the issue for long. Echoing to this popular demand, Government of Tripura has also taken up the issue with the Government of India and offered alternative land to Assam Rifles in vicinity of the Agartala city. Now, the Ministry of Home Affairs may consider the case with immediate effect.
